NATIONAL CONVENTION OF CIVIL ENGINEERS

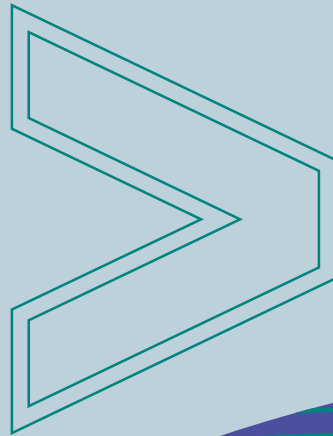

23 & 24 JULY

Merlis Hotel Coimbatore

ASSOCIATION OF
CONSULTING CIVIL
ENGINEERS (INDIA)

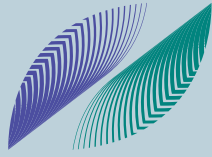

4TH
EDITION

SMART
SUSTAINABLE
RESILIENT

lead

nxt

A National Platform. A Professional Commitment.

Conceived as a forum for knowledge exchange and professional excellence, NATCON has evolved into one of India's most respected conventions for consulting civil engineers.

NATCON brings together Consulting Civil Engineers, Architects, Innovators, Academicians, Consultants, and Decision-makers to reflect, debate, and collectively redefine the future of the built environment.

Where Ideas Are Presented.
Refined. Strengthened.

The Legacy of ACCE(I) A Future of Leadership.

The Association of Consulting Civil Engineers (India) stands as a cornerstone of professional integrity and technical excellence guiding consulting professionals nationwide.

With a national presence and decades of contribution to engineering practice, ACCE(I) continues to elevate standards across consulting, structural design construction disciplines.

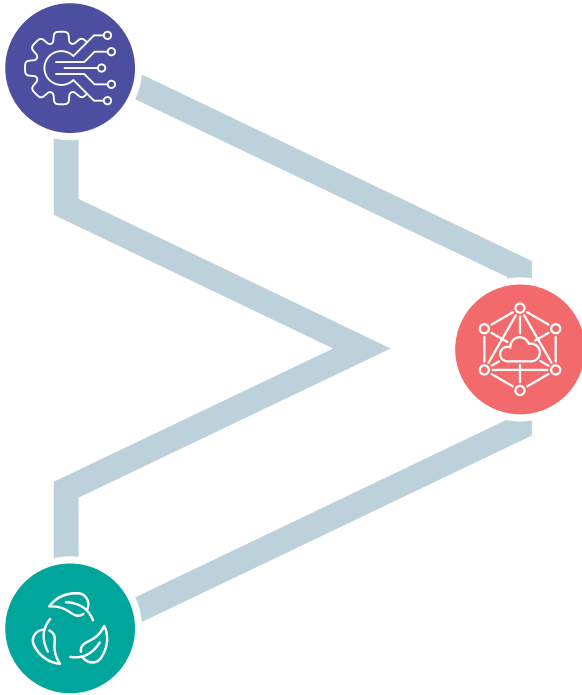

This is not just an event.
It is an institutional movement.

NATCON

Smart Technology

- Precast and Prestressed Construction
- Digital Engineering & BIM Integration
- Data-Driven Construction Practices
- Automation & Monitoring Systems

Enabling precision, efficiency, and informed decision-making

Sustainability

- Energy-Efficient Structural Design
- Low-Carbon & Recycled Materials
- Resource-Optimised Construction
- Green Building Practices

Driving responsible development with reduced environmental impact

SMART SUSTAINABLE RESILIENT

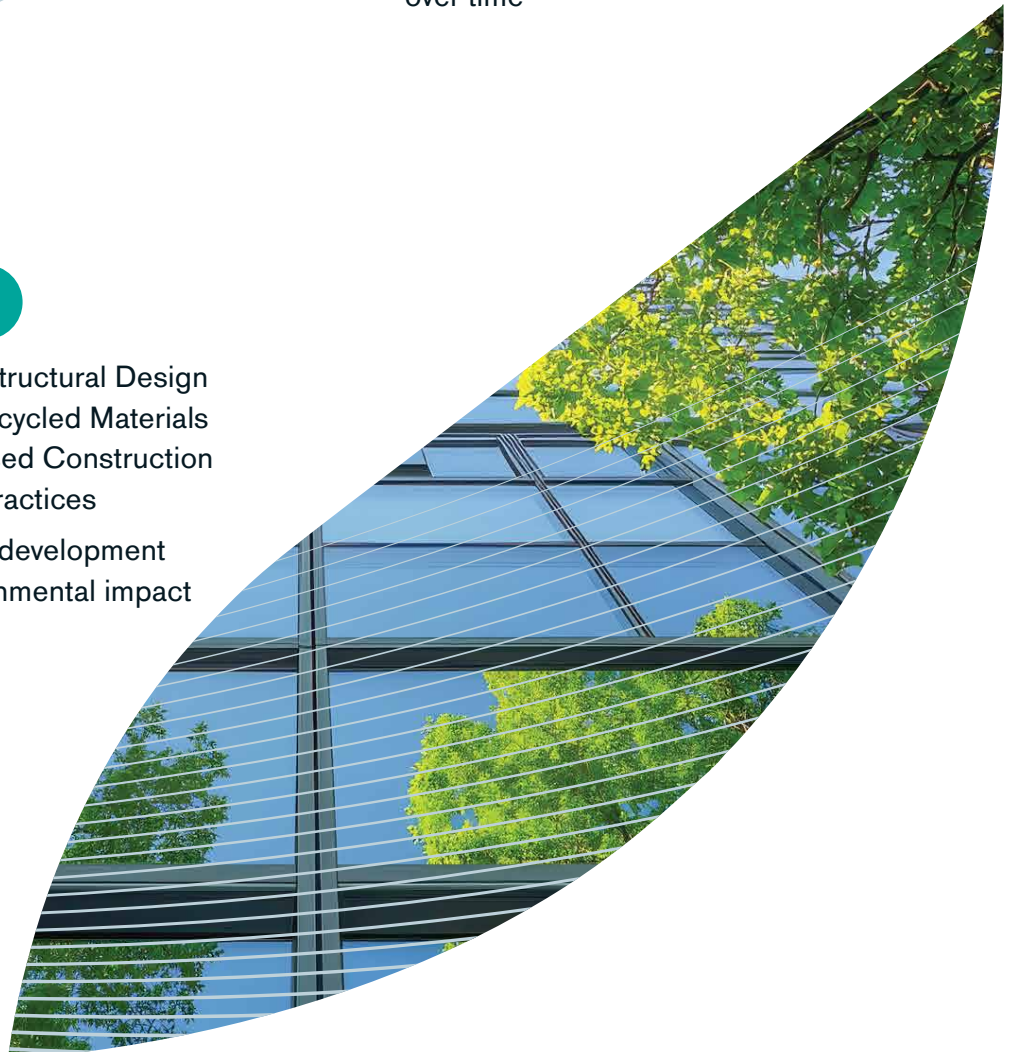

In present scenario, the construction industry requires multi-dimensional upgradation in fields such as Smart Technology, Sustainability, Resilience, etc., clubbed as “Intelligent Construction”.

Technology serves as the **enabler**, sustainability as the **mandate**, and resilience as the **long-term benefit** for the built environment.

Resilience

- Structural Health Monitoring
- Climate-Adaptive Design
- Repair, Retrofit & Strengthening Systems
- Long-Term Structural Performance

Ensuring durability, safety, and continuity over time

The Host City that Reflects the Theme

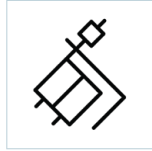

Coimbatore is more than a venue.

It is a living expression of engineering integrity and balanced growth.

Legacy-Rich Landscape

Traditional Tamil Domain

Engineering Powerhouse

Innovation-forged economy

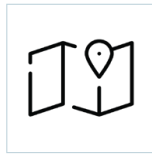

Eco-Conscious Urban Vision

Future-ready green city

Prestigious Intellectual Cradle

Generations of excellence

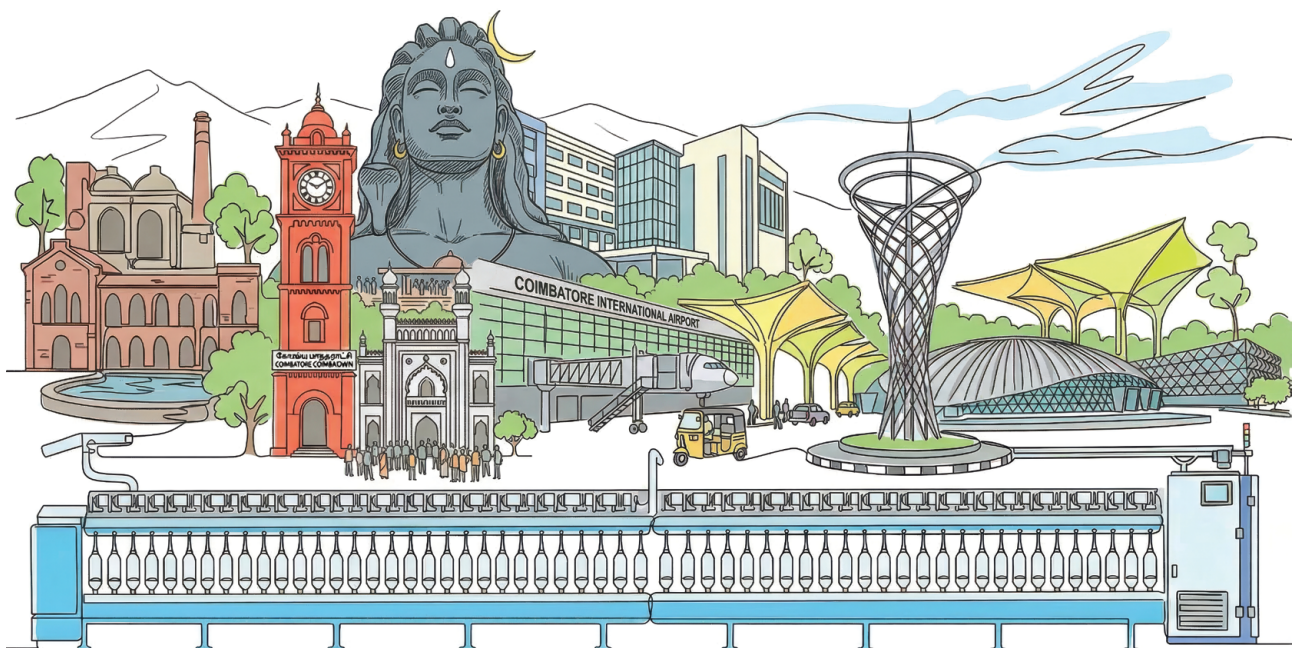

Integrated Regional Gateway

Strategic interstate corridor

Speciality
Healthcare Hub

Integrated wellness city

A city where heritage meets horsepower. ***Where spirituality meets steel.***

Venue - **Merlis Hotel** - Coimbatore

A Venue That Reflects Scale, Precision, and Possibility

For NATCON 2026, the stage is set at **Merlis Hotel, Coimbatore**, a contemporary 5 - star destination, strategically located just minutes (Around 2.5 kms) from Coimbatore International Airport.

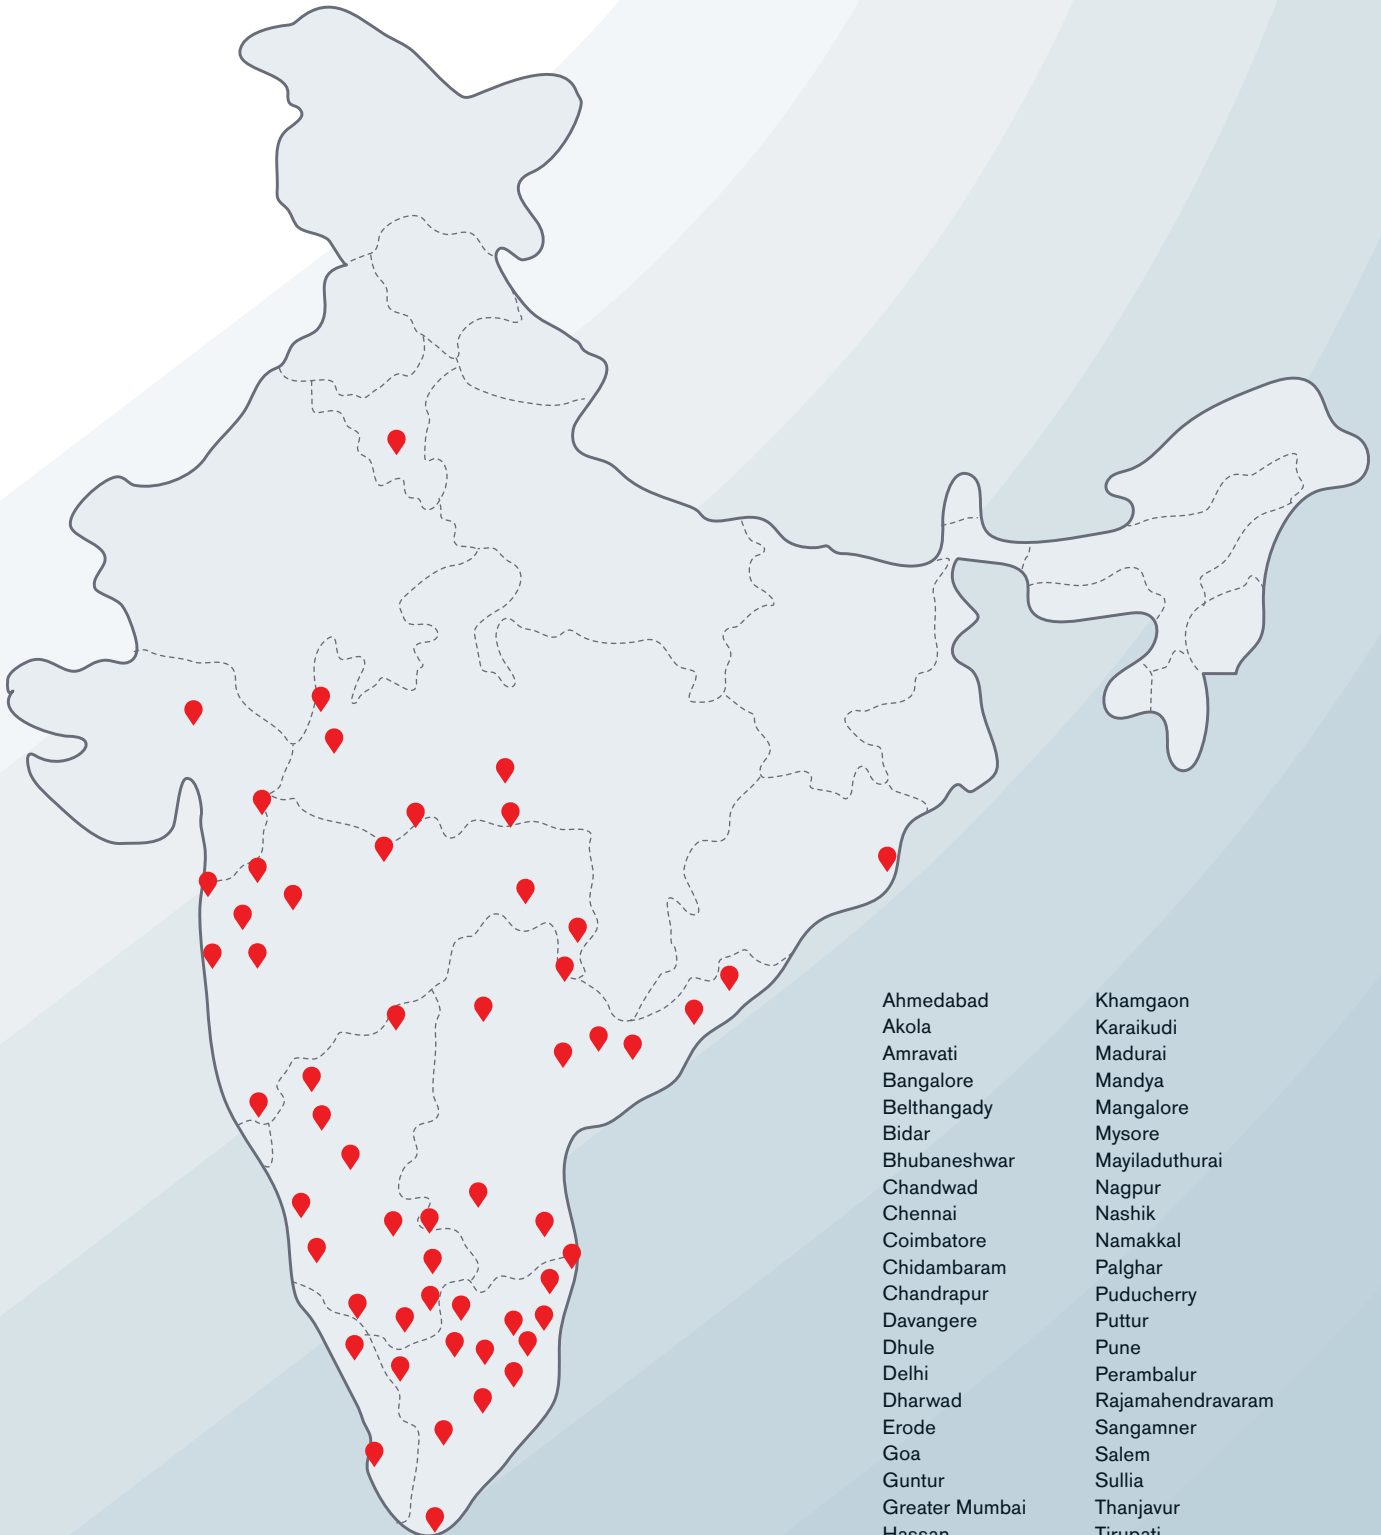

Merlis offers both accessibility and sophistication, making it an ideal setting for a national convention of this scale.
